Subject: Approved Electric Fencing Materials List for FY 2023-2024

Respected Sir(s)/Madam(s)

We are pleased to announce the approval of the Electric Fencing (EF) materials list for FY 2023-2024, including awarded rates and selected suppliers. The comprehensive list has undergone a thorough evaluation by the Technical Evaluation Committee to ensure the quality and reliability of the materials.

To streamline the procurement process, we kindly request all Agricultural Research and Development Centers (ARDCs) and Dzongkhags to exclusively procure EF accessories from the listed suppliers. It is crucial to adhere to the awarded rates during the procurement process. The procuring agencies are accountable for covering the transportation expenses from Thimphu to the ultimate destination.

Looking forward for your kind support as always

Yours Sincerely

Yeshey Dema
Program Director
