Subject: Plant Protection Products Distribution for the year 2024-2025.

Dear Sir/Madam(s)

The NPPC is pleased to inform you that PP products are now readily available at the NPPC store for distribution for the year 2024-2025.

In this regard, we kindly request you to notify the concerned offices and ASSRs under your jurisdiction to arrange for the collection the PP products quantities as per their indents. NPPC would like to emphasize that all offices must collect their demand quantities strictly as per their indents. Partial collections of PP products by EAs and ASSRs will not be accepted unless accompanied by a valid justification. In such cases, the remaining balance must be collected within the current financial year.

Further, please note that all PP products must be collected on a cash-down payment basis. To ensure a smooth and efficient collection process, kindly coordinate with our NPPC storekeeper in advance to schedule the collection date. For this, please contact *Mr. Rinchen Wangdi* at *Contact No # 17583671*

Your cooperation and support in this matter are highly appreciated.
